The City of Plainfield's First Responders are seeking donations of personnel protective equipment.

Due to the current COVID-19 Pandemic, we are extremely low on supplies. As this event continues to evolve more equipment will be needed.

Our first responders put their lives on the line everyday to keep the City of Plainfield safe. They continue to do this with the same pride and respect even during this difficult time. For that, we are grateful for our Police, Fire, EMS and Public Works Employees.

The City's Administration has been doing everything they can to get the proper supplies needed for the first responders. However, due to the high demands across the country this has been a very difficult task.

We are in need of N95 Mask, Surgical Mask, Disposal Coveralls and Gloves. If anyone has these items please contact Sgt. N. Carvalho at (908) 510- 0050. Items can also be dropped off at the Plainfield Police Department, 200 East 4th Street, Plainfield NJ 07060.
