TLI Home Company Donates \$5000 and gives a Day of Service to the City of Plainfield

Plainfield NJ – TLI Home Company brought forty-five (45) employees to Milt Campbell Field in Plainfield, NJ, for A Day of Service earlier this year. The volunteers spent most of the afternoon focusing on the park's beautification, providing fresh coats of paint to the public bathroom, disposing of trash around the park, clearing walking trails, and planting flowers.

Milt Campbell Field offers a playground, baseball field, basketball courts, and tennis courts and residents have since communicated their approval and appreciation for the improved aesthetics.

On the volunteer clean-up day, Mayor Adrian O. Mapp and Plainfield Chief of Staff Jazz Clayton-Hunt welcomed TLI Homes Founder & CEO Mr. Nayan Dalal and his wife, Mrs. Dalal, to express their gratitude on behalf of the City of Plainfield for their generosity.

More recently, TLI Home Company donated \$5,000 to the City of Plainfield to purchase new park benches, planters, and a message board for the park.

"I'm always deeply grateful when anyone takes time to volunteer to improve our Queen City and Milt. Campbell Park is one of our gems on the eastern side of the City. I thank TLI Home Company for their generosity," Mayor Adrian O. Mapp responded when asked what it meant to have TLI Homes donate their time and energy to this project. "We appreciate TLI Home Company for venturing beyond their community and investing in the future of Plainfield. In this day and age when time and selflessness are precious commodities, TLI's commitment to both is one to be emulated. The company's contribution of time and money to the improvement of Milt. Campbell Park will have a lasting impact for our community, and for that we are grateful."
