### Four (4) New Confirmed Cases of COVID-19 in Plainfield

September 24, 2020

Dear Friends and Neighbors,

There are four (4) new COVID-19 cases to report, bringing our total to two thousand, four hundred and forty-six (2446) confirmed cases since the pandemic began. Since yesterday, September 23, thirteen (13) additional persons have been quarantined. There are no new deaths to report today. The total number of fatalities stands at one hundred and thirteen (113).

As we continue to exercise the utmost caution, I encourage everyone to follow state and local hygiene and social distancing measures. Parts of our city are densely populated, and we must continue to follow safety protocols until we are sure that the numbers won't spike again. Let's keep pushing forward until this pandemic is truly over.

Stay safe and may God continue to bless each of you.

Creating One Plainfield, One Future

Sincerely,

Adrian O. Mapp, Mayor
