

Today is **Census Action Day!** Why is this Important to Plainfield? We **MUST** be **COUNTED** or we will lose millions of dollars in federal funding that provide necessary programs and resources for our **COMMUNITY**.

We need your **HELP** - contact your friends and family and ask if they have completed the #2020census. Here are a couple of keys talking points:

- It's safe. No information provided will be shared with any government office
- It only take a few minutes
- Can be completed 3 ways - online at www.2020census.gov, by phone at 844-330-2020 for English and 844-468-2020 for Spanish or by mail
- The census impacts federal funds for our schools, social security, roads, health care
- The Census doesn't just **COUNT**, it makes a **DIFFERENCE!**
