FOR IMMEDIATE RELEASE

**Live On-Line Job Search Assistance, Resume Review, and Computer classes from the Plainfield Public Library**

April 21, 2020 - The Plainfield Public Library is aware of not only the terrible human toll, but also the devastating economic impact of the COVID-19 quarantine on many Plainfield residents.

To help during this time of closures and uncertainties, the Plainfield Public Library has added a service to our online chat reference feature through our website, where you can speak to one of our **live employment assistance coaches** for help on your job search and resume review.

To access this service and for more information and hours of operations, visit <http://www.plainfieldlibrary.info/JobSearchLive.html>.

**In May**, the Library will begin offering **free live on-line computer training workshops** on topics such as the Microsoft Office Suite and Digital literacy. A schedule and sign-up information will be posted soon. To access this service and for more information and hours of operations, visit <http://www.plainfieldlibrary.info/Services/ComputerTraining.html>.

These new services are funded in partnership with the City of Plainfield and the New Jersey Department of Labor and Workforce Development.

The Library already has a variety of self-directed, on-line services currently available to get your training started. Your Library card gives you free access to a range of databases and learning platforms such as Rosetta Stone and Knowledge City. Visit <http://www.plainfieldlibrary.info/Research/Databases.html> for more information.

As we all adjust to the current situation, the Library will continue to adjust and expand our remote services and work hard to help keep Plainfield working.

Please continue to check the Computer Training page at <http://www.plainfieldlibrary.info/Services/ComputerTraining.html> to stay up to date on additional remote services offered through the Adult Literacy Department as they become available.

For more information on any of the services listed above, please email [literacy@plfdpl.info](mailto:literacy@plfdpl.info).
